After logging in, the listening part will start automatically. You are required to complete each section within the given time. Once you move to the next section, you cannot go back to check or amend your answers for the previous section.

When you take the exam, the web page will appear as below:

1) The red pencil mark will appear once you answer a question.

- 2) Click on the star mark if you are not certain about your answer. You can move on and come back to it later.
- 3) Click ‘Answer sheet’ at the bottom to check your progress. The green circle means you have answered the question, the hollow red circle means you haven’t. The answer sheet appears as below:

The screenshot shows an 'Answer sheet' window with a table containing 26 rows and 4 columns. The columns are labeled 'Question No.' and 'Status'. The first two columns are for questions 1-10, and the last two are for questions 11-20, with the final two rows (21-26) also having 'Question No.' and 'Status' headers. The status for each question is indicated by a green circle (answered) or a hollow red circle (not answered). Question 2 has a green circle and a star icon. Questions 11-26 have hollow red circles.

Alternatively, you can use the time to check your answers for the last section.
